

# **APPLICATION PACK TEACHER OF SCIENCE**

Dear Applicant

Thank you for your interest in the post of Teacher of Science at our School. The School has secured a top 10% progress score, as measured by value added, for the past 9 years and repeated this performance for the last five years at Post 16.

Heston is a high performing, fully inclusive and comprehensive Community School, with over 1300 students including 300 in our Sixth Form. Occupying approximately ten acres, adjacent to Osterley Park, the School boasts its own leisure centre and fantastic sports facilities, including several multi-surface pitches and a specialist Centre for the Hearing Impaired, serving Hounslow and the surrounding Boroughs.

I trust that the advert and person specification make clear that, first and foremost, we are looking for an exceptional Teacher of Science who can demonstrate a strong track record of delivering excellent academic outcomes.

As with every application pack, it is near impossible to capture definitively the nature and character of the School or the full extent of the role for which you are applying. However, the key qualities that we are looking for in every leader are intelligence, integrity and a capacity for sustained hard work - professionals that never shy away from rolling up their sleeves to ensure that no member of the School community ever feels that they must work in isolation.

Though I appreciate, it is not always possible, I would encourage you to visit the School prior to making an application, to see for yourself the community of staff and students you would join. I am confident that you will experience what many of our visitors and the recent OFSTED inspection commented on:

*'Pupils speak proudly about 'Hestonian values', such as kindness, honesty, resilience and equality. These values are embedded in the day-to-day life of the school. They provide a shared language for teachers and pupils, inspiring them to be the best that they can be. As a result, pupils' behaviour and attitudes to learning are exceptional.'* [OFSTED December 2022]

*'Pupils behave exceptionally well in lessons and listen carefully to teachers' explanations. This has a very positive effect on their learning. They enjoy warm and positive relationships among themselves and with their teachers.'* [OFSTED December 2022]

Yours sincerely

Mr Ranjit Berdesha  
Headteacher

Heston is a high performing School that consistently achieves a Value Added score that places it in the top 10%, or better, of schools nationally. The tables below provide a summary of our Key Stage 4 and 5 examination results.

#### KEY STAGE 4

Progress 8 Score	2017	2018	2019	2020*	2021**	2022
Whole School	0.90	0.68	0.80	--	--	0.56

## THE SCIENCE CURRICULUM AREA

### TEAM OVERVIEW

Heston Community School's Science Team aims to broaden students' horizons and help them develop an understanding of the world and its citizens. Our emphasis is on asking and answering questions, big and small, to develop our students' resilience and thinking skills. The Science Team expects its students to compete with students from any state or independent school to enter onto the best possible degree courses at the most respected universities. Destinations in recent years included:

Aston University	Optometry
Kings College London	Medicine
Brunel University	Civil Engineering
Brunel University	Mathematics and Computing
Cambridge University	Engineering
Kingston University	Biomedical Science
Royal Holloway, University of London	Physics
Imperial University	Medicine
City University	Radiography
Royal Holloway	Electronic Engineering

### CURRICULUM OVERVIEW

Heston Community School's philosophy that every child matters is reflected in the work of the Science Team. Science is taught across the age and ability range at KS3, KS4 and KS5. BTEC Science, T Level Healthcare Science, A Level Biology, Chemistry and Physics pathways remain popular at Post-16.

### STAFFING

The Team is led by a Curriculum Leader who is supported in this role by three Assistant Curriculum Leaders. The Science Team comprises 14 full-time teachers and four technicians. New staff are offered an Induction Programme to facilitate their entry into the life of the School and the community and there is a specific, two year ECT Induction Programme.

### CURRICULUM ACCOMMODATION

The Science Team has a suite of designated teaching rooms in the Osterley building, with eleven laboratories.
