

Heston

COMMUNITY SCHOOL

Mission Statement

A Passion for Learning

Changing Lives

This Policy is founded within our School ethos which provides a caring, friendly and safe environment for all members of our community.

Reviewed: June 2009

We do this by:

- Encouraging a sense of care, understanding and respect for all
- Providing a broad, balanced and relevant curriculum
- Valuing all members of our community as individuals and promoting equality of opportunity
- Ensuring responsible stewardship of the School's ethos, resources and environment
- Being a community resource for lifelong learning and recreation
- Embracing the cultural richness of our community
