13 November 2020

Dear Parents/Carers

The School has made the decision to close to all students and staff for a period of two days - Friday 13 November and Monday 16 November 2020. The School will reopen on Tuesday 17 November with the usual staggered timings.

Due to the number of positive COVID-19 cases this week, and upon the confirmation late this evening of a further case involving a staff member, we have consulted with Public Health England, and decided to use these four days to deep clean the whole site.

The Heston and Cranford area has one of the highest incidences of COVID-19 in Hounslow. Given the high levels of confirmed positive COVID-19 cases in our area, we recognise our community will face further cases in the coming months but the 'deep clean' will allow the School to limit the opportunities for the virus to spread.

From Friday 13 November 2020, students in Years 11 and 13 will be taught via Microsoft Teams following their normal school timetable.

All other year groups will be set work via Show My Homework or email on Friday 13 November, but will be taught 'live' Microsoft Teams lessons on Monday 16 November.

Thank you for your continued support during these challenging times.

Yours faithfully

M.O'Hagan
