

TEACHER ASSESSMENT GRADES 2021

SOURCES OF EVIDENCE

BTEC

BTEC Applied Science Year 12	
Assessment Evidence	Content
October 2020 Assessment [Unit 1]	<ol style="list-style-type: none"> 1. Periodicity and properties of elements 2. Structure and functions of cells and tissues 3. Waves in communication
January 2021 Assessment [Unit 1]	<ol style="list-style-type: none"> 1. Periodicity and properties of elements 2. Structure and functions of cells and tissues 3. Waves in communication
May 2021 Assessment [Unit 3]	<ol style="list-style-type: none"> 1. Planning an investigation 2. Data collection, processing and analysis 3. Drawing conclusions and evaluation 4. Enzymes in action 5. Diffusion of molecules 6. Plants and their environment 7. Energy content of fuels 8. Electrical circuits
Unit 2 Internal Assessment	<ol style="list-style-type: none"> 1. Titration and colorimetry 2. Calorimetry 3. Chromatographic techniques personal development of scientific skills for laboratory work
Unit 21 Internal Assessment	<ol style="list-style-type: none"> 1. Non-ionising instrumentation techniques in medical applications 2. Ionising instrumentation techniques in medical applications 3. Health and safety of ionising and non-ionising medical devices
Unit 8 Internal Assessment	<ol style="list-style-type: none"> 1. Musculoskeletal system 2. Physiology of the lymphatic system 3. Physiology of the digestive system

BTEC Applied Science Year 13	
Assessment Evidence	Content
Units 1, 2, 3, 4 and 8 were awarded in Year 12	
October 2020 Assessment [Unit 5]	<ol style="list-style-type: none"> 1. Properties and uses of substances 2. Organs and systems 3. Thermal physics, materials and fluids
January 2021 Assessment [Unit 5]	<ol style="list-style-type: none"> 1. Properties and uses of substances 2. Organs and systems 3. Thermal physics, materials and fluids
May 2021 Assessment [Unit 1 retake]	<ol style="list-style-type: none"> 1. Periodicity and properties of elements 2. Structure and functions of cells and tissues 3. Waves in communication
Unit 6 Internal Assessment	<ol style="list-style-type: none"> 1. Project proposal 2. Planning investigative project 3. Undertake project 4. Review investigation
Unit 21 Internal Assessment	<ol style="list-style-type: none"> 1. Non-ionising instrumentation techniques in medical applications 2. Ionising instrumentation techniques in medical applications 3. Health and safety of ionising and non-ionising medical devices

BTEC Business Year 12	
Assessment Evidence	Content
Unit 3 May 2021 Assessment 1	Revenue expenditure Break-even Cash flow
Unit 3 May 2021 Assessment 2	Depreciation Sources of finance
Unit 4 Internal Assessment	Managing an event
Unit 8 Internal Assessment	Recruitment and Selection Process

BTEC Business Year 13	
Assessment Evidence	Content
Units 2,3,4 and 8 were awarded in Year 12	
Unit 6 January 2021 Assessment	Principles of Management
Unit 5 Internal Assessment	International Business
Unit 1 Internal Assessment	Exploring Business
Unit 21 Internal Assessment	Training and Development

BTEC ICT Year 12	
Assessment Evidence	Content
May 2021 Assessment Unit 1	1. Digital Devices in IT systems 2. Wired & Wireless Connections 3. Cloud storage and computing 4. Protecting Data and Information
May 2021 Assessment	5. Moral and ethical factors in IT 6. Operating Systems

BTEC ICT Year 13	
Assessment Evidence	Content
Units 1, 2 were completed in Year 12
