

TEACHER ASSESSMENT GRADES 2021
SOURCES OF EVIDENCE

A LEVEL

A Level English Literature	
Assessment Evidence	Content
October 2020 Assessment	Paper 1B Section C and Paper 2B Section A [AO1 - 5]
February 2021 Assessment	Paper 2B Section A [AO1 - 5]
May 2021 Assessment	Paper 2B [Section A, B and C] [AO1 - 5]
NEA	Coursework with three lightly annotated drafts, as per exam board guidance [AO1 - 5]

A Level Maths	
Assessment Evidence	Content
October 2020 Assessment	AS Pure content
March 2021 Assessment 1	Pure A2 content- Algebraic Methods, Functions, Sequences, Binomial theorem, Radians, Trigonometry, Parametric equations, Numerical methods
March 2021 Assessment 2	AS Applied content
April 2021 Assessment	A2 Applied content- Regression/hypothesis testing, conditional probability, normal distribution, moments, projectiles
May 2021 Assessment	AS & A2 Pure content

A Level Biology	
Assessment Evidence	Content
October 2020 Assessment	Module 1: Biological Molecules Module 2: Cells Module 3: Organisms exchange substances with their environment Module 4: Genetic information, variation and relationships between organisms
May 2021 Assessment 1	Module 1: Biological Molecules Module 2: Cells Module 3: Organisms exchange substances with their environment Module 4: Genetic information, variation and relationships between organisms
May 2021 Assessment 2	Module 5: Energy transfer in and between organisms – photosynthesis and respiration Module 6: Organisms respond to changes in their internal and external environments
Essay Assessment 1	Students select topics that fit the Essay title they choose to complete as per Paper 3 examination format Module 1 - Module 8 content
Essay Assessment 2	Module 7: Genetics, populations, evolution and ecosystems Module 8: The control of gene expression

A Level Chemistry	
Assessment Evidence	Content
October 2020 Assessment	Module 1: Development of practical skills in chemistry Module 2: Foundations in chemistry Module 3: Periodic table and energy Module 4: Core organic chemistry
May 2021 Assessment 1	Periodic Table, Elements and Physical Chemistry Module 1: Development of practical skills in chemistry Module 2: Foundations in chemistry Module 3: Periodic table and energy Module 5: Physical chemistry and transition elements
May 2021 Assessment 2	Synthesis and analytical techniques Module 1: Development of practical skills in chemistry Module 2: Foundations in chemistry Module 4: Core organic chemistry Module 6: Organic chemistry and analysis

A Level Physics	
Assessment Evidence	Content
October 2020 Assessment	AS Paper 1 1. Working as a Physicist 2. Mechanics 3. Electric Circuits 4. Further Mechanics AS Paper 2 1. Working as a physicist 2. Materials 3. Waves 4. Quantum physics
May 2021 Assessment 1	A2 Paper 1 1. Working as a Physicist 2. Mechanics 3. Electric Circuits 4. Further Mechanics 5. Electric and Magnetic Fields 6. Nuclear and Particle Physics
May 2021 Assessment 2	A2 Paper 2 1. Working as a Physicist 2. Materials 3. Waves and Particle Nature of Light 4. Thermodynamics 5. Space 6. Nuclear Radiation 7. Gravitational Fields 8. Oscillations
May 2021 Assessment 3	A2 Paper 3 All A Level Physics topics Experimental Methods

A Level Media	
Assessment Evidence	Content
October 2020 Assessment	Media Paper 1 [AO1 - AO2]
February 2021 Assessment	Media Paper 1 - Audio/ visual analysis and audience theory [AO1 - AO2]
May 2021 Assessment	Media Paper 2 [AO1- AO2]
NEA	Two tasks from a choice of two AQA Cross-Media Briefs [2020-21]. Inclusive of Planning Documents and Statement of Intent. [AO3]

A Level Business	
Assessment Evidence	Content
October 2020 Assessment	Theme 1 and 2 content Added value, Pricing strategies, Supply and ethics, Market share, Advertising, Training, Financial motivational techniques, Calculating Profit, Costs, Operating profit margin, Taxation and the supply curve, Business ownership, Sales forecasting, Capacity utilisation
May 2021 Assessment 1	Paper 1 Business objectives, Promotion, Recruitment and selection, Motivation – financial and non-financial incentives
May 2021 Assessment 2	Paper 2 SWOT analysis, Profitability ratios, Sales forecasting, Business culture, Labour turnover
May 2021 Assessment 3	Essay questions Liquidity, Succession planning

A Level Economics	
Assessment Evidence	Content
May 2021 Assessment 1	Paper 1: Price discrimination, Natural monopolies, Impact of nationalisation, Impact of subsidy on demand and supply diagram, Factors affecting demand, Monopsony in product market and your own application for this, Externality diagrams, Efficiencies, Consumer, Producer surplus, Cross price elasticity, price elasticity of demand, Substitutes, Complements, Cost revenue diagrams [as part of toolkit]
May 2021 Assessment 2	Paper 2: Impact of primary product dependency: development, Terms of trade Causes of income and wealth inequality Income and wealth inequality- own application for a developing country of your choice on current Gini coefficient and how changed in last few years Trading blocs and increasing integration impact, Effects of joining trading blocs for economy fair trade schemes: development Macroeconomic policies [demand and supply side] Cutting tax rates and economic growth Types of taxation [progressive, regressive, proportional, direct, indirect], AS and AD analysis [as part of toolkit], Trade diversion and creation
May 2021 Assessment 3	Microeconomics: Impact of mergers, Theme 3 Macroeconomics: Methods of reducing budget deficit, Theme 4/2

A Level History	
Assessment Evidence	Content
October 2020 Assessment	Unit 1: Britain all topics AO1, 3
November 2020 Assessment	Unit 3: Aspects in Depth persecuting witches AO1
May 2021 Assessment 1	Unit 1: Britain Topic 2: Creating a welfare state Topic 3: Society in transition AO1 Unit 2: USA Topic 1: Boom and Crash 1920-29 AO2
May 2021 Assessment 2	Unit 3: Witches Aspects in Depth persecuting witches AO1
NEA	Reasons why Hitler became Chancellor of Germany AO1, 3

A Level Geography	
Assessment Evidence	Content
October 2020 Assessment	Physical and Human focus <ul style="list-style-type: none"> • Coasts • Globalisation • Regeneration • Health, human rights and intervention AO1-3
May 2021 Assessment 1	Human focus - Paper 2 <ul style="list-style-type: none"> • Health, human rights and intervention • Globalisation OR superpowers AO1-3
May 2021 Assessment 2	Physical Focus - Paper 1 <ul style="list-style-type: none"> • Coastal Landscapes and change AO1-3
NEA	Students submitted the first two sections - Purpose of the Independent Investigation & Field Methodologies and Data Collection AO1-3

A Level Fine Art, Graphics, Photography	
Assessment Evidence	
Students will complete a series of class based tasks, a coursework portfolio and an essay	

A Level Government and Politics	
Assessment Evidence	Content
October 2020 Assessment	Paper 1 and 2 : all topics AO1-3
May 2021 Assessment 1	Paper 1 and 2 <ul style="list-style-type: none"> • The constitution • Electoral systems • Parliament • Voting behaviour and the Media • Political Parties • Democracy and participation AO1-3
May 2021 Assessment 2	Paper 1 and 3 <ul style="list-style-type: none"> • Core ideologies • US constitution and Federalism • Congress • Democracy and Participation AO1-3

A Level Psychology	
Assessment Evidence	Content
October 2020 Assessment	Social Influence, Memory, Research methods, Attachment, Psychopathology AO1-3
May 2021 Assessment 1	Paper 1: Memory, Approaches, Research Methods AO1-3
May 2021 Assessment 2	Paper 2: Research Methods, Aggression AO1-3

A Level Sociology	
Assessment Evidence	Content
October 2020 Assessment	Paper 1: All topics apart from Research methods in context Paper 3: Research Methods AO1-3
May 2021 Assessment 1	Paper 1: Education The significance of educational policies, including policies of selection, marketisation and privatisation. Differential educational achievement of social groups by social class, gender and ethnicity in contemporary society Paper 2: Family Theories of the family [functionalists, Marxists, feminists, post modernists] AO1-3
