3. This will not be done without your permission and you must understand the grades can also go down
4. The fee for the remark will sometimes be paid for by the School, if you are

very close to the grade above. This is at the discretion of Mr Berdesha. The appeals policy is available upon request

5. You will be informed by the Curriculum Leader of any grade change as soon as possible
6. You will also be asked to sign a confirmation that the School may access your scripts in order to improve teaching and learning for future students
7. You will be sent a letter to inform you when your certificates are available for collection. You will need to sign for these at the School Main Office.

Top Tips for Day of Exam

1. Do not stay up late to revise – Get a minimum of 8 hours of sleep
2. Have breakfast/lunch
3. Leave plenty of time to get to School
4. Ensure you have all your equipment, water and some tissues
5. Go to the toilet before the exam
6. It is normal to feel anxious – try to breathe slowly and deeply
7. If you get stuck on a question just move on and come back to it later
8. A good tip is to circle any question you know you want to come back to
9. Always guess an answer – it is better than leaving it blank
10. Read the questions carefully - especially looking at the command words such as describe, evaluate, compare
11. Have a rough time strategy – e.g. I want to be up to Q5 by the half way point
12. Give yourself 10 minutes to check that you have not missed any questions or misread a task
13. You should never finish early – you can always rewrite an answer or check your calculations
14. Try not to dissect the exam afterwards –it will just make you stressed. Better to focus on your next exam.
