

APPLICATION PACK

ASSISTANT CURRICULUM LEADER BUSINESS, ECONOMICS AND COMPUTER SCIENCE

Dear Applicant

Thank you for your interest in the post of Assistant Curriculum Leader Business, Economics and Computer Science [BECS]. The School has secured a top 10% progress score, as measured by value added, for the past 9 years and repeated this performance for the last five years at Post 16.

Heston is a high performing, fully inclusive and comprehensive Community School, with over 1300 students including 300 in our Sixth Form. Occupying approximately ten acres, adjacent to Osterley Park, the School boasts its own leisure centre and fantastic sports facilities, including several multi-surface pitches and a specialist Centre for the Hearing Impaired, serving Hounslow and the surrounding Boroughs.

This is an exciting time to join a Team with a balance of experienced and newly qualified colleagues. Outcomes in BECS, both at KS4 and Post 16, are exceptional. The successful applicant will have the opportunity to help sustain this success.

I trust that the advert and person specification make clear that, first and foremost, we are looking for an exceptional Teacher of Business, Economics or Computer Science who can demonstrate a strong track record of delivering excellent academic outcomes.

As with every application pack, it is near impossible to capture definitively the nature and character of the School or the full extent of the role for which you are applying. However, the key qualities that we are looking for in every leader are intelligence, integrity and a capacity for sustained hard work - professionals that never shy away from rolling up their sleeves to ensure that no member of the School community ever feels that they must work in isolation.

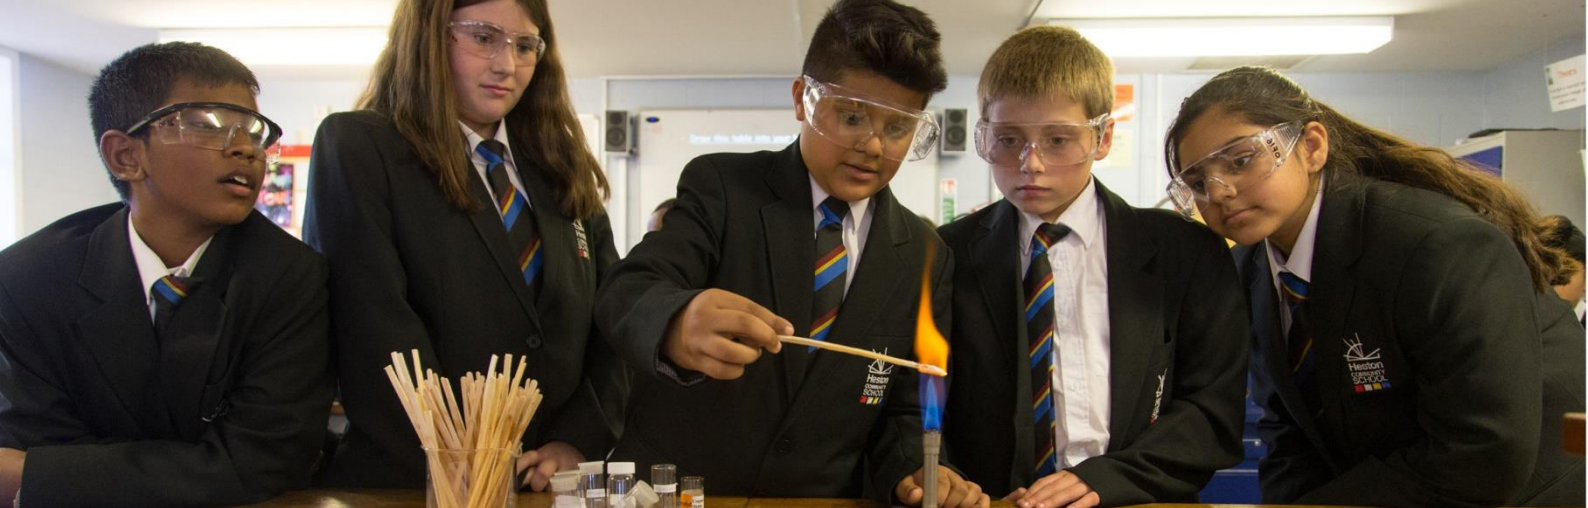

Though I appreciate, it is not always possible, I would encourage you to visit the School prior to making an application, to see for yourself the community of staff and students you would join. I am confident that you will experience what many of our visitors and the recent OFSTED inspection commented on:

'Pupils speak proudly about 'Hestonian values', such as kindness, honesty, resilience and equality. These values are embedded in the day-to-day life of the school. They provide a shared language for teachers and pupils, inspiring them to be the best that they can be. As a result, pupils' behaviour and attitudes to learning are exceptional.' [OFSTED December 2022]

'Pupils behave exceptionally well in lessons and listen carefully to teachers' explanations. This has a very positive effect on their learning. They enjoy warm and positive relationships among themselves and with their teachers.' [OFSTED December 2022]

Yours sincerely

Mr Ranjit Berdesha
Headteacher

Heston is a high performing School that consistently achieves a Value Added score that places it in the top 10%, or better, of schools nationally. The tables below provide a summary of our Key Stage 4 and 5 examination results.

KEY STAGE 4

Progress 8 Score	2017	2018	2019	2020*	2021**	2022

THE BUSINESS, ECONOMICS AND COMPUTER SCIENCE CURRICULUM AREA

TEAM OVERVIEW

Business, Economics and Computer Science are taught by specialists within the Curriculum Area. The Curriculum Leader is supported by three Assistant Curriculum Leaders to broaden students' horizons and help them develop an understanding of the world they live in and the impact decisions made by businesses and governments have on the local and international communities. We aim to inspire a passion for learning and a lifelong interest. Staff work together to help make this a reality by sharing best practice and creating an environment where all are encouraged to be creative and innovative. The Business, Economics and Computer Science Team expects its students to compete with students from any state or independent school to enter onto the best possible degree courses at the most respected universities. Recent destinations include:

Queen Mary's University	Business Management and Finance
Royal Holloway University London	Financial and Business Economics
University of Reading	Computer Science
University of Surrey	Economics
Brunel University	Business and Management
University of Portsmouth	Accounting and Finance
Aston University	International Business and Management

CURRICULUM OVERVIEW

Heston Community School's philosophy that every child matters is reflected in the work of the BECS Team. Currently, at Post 16, the department offers Business Studies, Economics, T Levels and BTEC Business and ICT. These are some of the most popular subjects at A Level which means the Business, Economics and Computer Science Team is a vital component of the Sixth Form.

STAFFING

The Curriculum Leader for Business, Economics and Computer Science is supported in this role by the by three Assistant Curriculum Leaders. The Team will comprise of ten full and part-time teachers. New staff are offered an Induction Programme to facilitate their entry into the life of the School and the community and there is a specific, two year ECT Programme.

CURRICULUM ACCOMMODATION

The Team has a suite of nine designated teaching rooms in the Hogarth Building, equipped with interactive whiteboards; this includes nine recently refurbished IT teaching rooms and two classrooms.
