Dear Parents/Carers

RE: REFRESH OF BEHAVIOUR EXPECTATIONS

We hope that you all enjoyed a restful half term break. The Senior Team are pleased to have observed a very positive response from our students throughout the week following the virtual assembly on the first day.

I would like to thank all parent/carers who discussed this matter with their children; we have had many positive conversations where students have actively mentioned their parents support of the School's high expectations, and this is much appreciated. Working together in the student's interests, will undoubtedly have the greatest positive impact on their future progress. Our 'Hestonian' values, which place kindness and respect at their core, are an important foundation upon which we build our success.

The School's behaviour refresh is focusing on two simple rules. It may well be helpful to use the same language at home.

What we expect from all students	What will not be	Consequences
1. Right place, right time.	Lateness to School Lateness to lessons	Detentions Suspensions accompanied by compulsory parental meetings
2. Following instructions first time, every time.	Argumentative behaviour Refusal to comply	

Expectations will remain high and we will be consistent in addressing all behaviours that do not meet our 'Hestonian' values. We are confident, with your support, the remainder of this year presents an opportunity for students to achieve their best.

As we look forward to a positive and busy summer term, I wish you and your family well.

Yours faithfully
