Dear Parent/Carer

**Re: Behaviour Refresh Update**

The School wanted to take this opportunity to update parents on our behaviour refresh - shared with parents on 22 May 2024. For many families the situation has changed little, as the majority of students consistently demonstrate or exceed our expectation. Feedback from students and staff is that the launch of our behaviour refresh has had a positive impact and we would like to thank parents for their support.

Our two key foci remain, to:

- 1. be in the right place at the right time**
- 2. follow instructions first time, every time.**

Our Behaviour for Learning Policy Addendum [which can be found on our website] has been amended so that a student removed from lessons after lunch will remain in the Withdrawal Room until 13:30 the following School Day.

We will contact parent/carers in due course to share our new approach to improve punctuality to School.

Yours faithfully
