1. AIMS

This Policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform.

2. OUR SCHOOL’S LEGAL DUTIES UNDER THE EQUALITY ACT 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, Heston Community School will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all students to have long hair [though we reserve the right to ask for this to be tied back]
- Allow all students to style their hair in the way that is appropriate for School yet makes them feel most comfortable
- Allow students to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our Policy on the grounds of equality by asking students or their parents to get in touch with Pastoral Deputy Headteacher who can answer questions about the Policy and respond to any requests.

3. LIMITING THE COST OF SCHOOL UNIFORM

Our School has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics [such as branded items, or items that have to have a school logo or a unique fabric/colour/design] cannot be purchased from a wide range of retailers and that requiring many such items limits parents’ ability to ‘shop around’ for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any compulsory items with distinctive characteristics eg: blazers features the School logo
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- Considering cheaper alternatives to school-branded items
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.
