Dear Parent / Carer

Students possessing the correct equipment is crucial for their progression because it supports an effective learning environment, promotes deeper understanding, and prepares students for success.

By fostering this mindset early in school, we can help students develop valuable habits that will serve them well in their future endeavours.

We want to ensure all our families are clear about our expectation for equipment. Tutors will conduct spot checks each morning and issue a sanction for any students who have forgotten their essential equipment. This 45-minute, same day detention is easily avoidable when students take responsibility for ensuring they come to school prepared. Please support both your child and the School in ensuring they come to their classrooms with the correct equipment to learn.

ESSENTIAL EQUIPMENT LIST

2 black pens [minimum]
2 green pens [minimum]
2 pencils [minimum]
1 Rubber
1 Ruler
A pencil case

KS3 Reading book
Student Planner

A Calculator
[Casio FX-83GTCW Scientific Calculator for September 2025]

Yours sincerely

M. O'Hagan.
