

23 June 2025

Dear Parent/Carer

Here at Heston Community School, we are always looking for even better ways to keep our parents informed and engaged in their child's learning journey. Therefore, we are very excited to announce that we have partnered with Reach More Parents by Weduc. This is a digital communication platform specifically designed to make it easier for us to send you relevant updates concerning your child and easier for you to interact with the updates we send.

In the coming weeks we are launching the new **Heston Community School App** which can be downloaded on your smart phone or tablet via App Store or Google Play.

Please can you ensure you follow the simple steps below to benefit from the new app. Instructions for Android/ iPhone devices:

Step 1: Download Heston Community School app onto your phone/tablet via your relevant App store.

Step 2: Once downloaded, open the app and click the **Activate My Account** link at the bottom of the login screen.

Step 3: Enter your unique enrolment code which you will receive in a separate email and follow the in-app, step-by-step instructions to complete your registration.

If you have any questions or need support in setting up your account then don't hesitate to get in touch with support by email at [support@weduc.com](mailto:support@weduc.com).

Lookout for updates about your child in the new app by ensuring that you have enabled push notifications for the app. To avoid missing important notifications, it is imperative that you download the app, as it is the only form of communication the School will be using going forward.

Yours faithfully

A handwritten signature in blue ink that reads "M. O'Hagan".

Mike O'Hagan  
Deputy Headteacher
