

24 June 2026

Dear Parent/Carer

Updated arrangements for Friday, 26 June 2026

Thank you for your support this week and ensuring our students attend school in the morning.

The forecast for Friday is still very high temperatures with extreme weather warning remaining in place until the weekend. Therefore, we will continue with the same procedures – students to arrive by 08:25 and then leave at 13:10 this Friday as well.

Monday, 29 June 2026 will be a normal school day, with all students in full uniform.

On a side note, the School has successfully won a bid to replace/repair the Sutton Building Roof. The work on this £350,000 project will begin in early July. Scaffolding across the front of the school will be erected. We would ask visitors and students to be mindful of the workmen and potential disruption when on site.

Yours faithfully

Ranjit Berdesha
