

03 July 2026

Dear Parent/Carer

The Met Office are predicting hot weather for the next two-weeks.

For the comfort of all students, the School has made the following decisions. From Monday 06 July until the end of term:

- Students are encouraged to wear their school PE Kit [**red polo top with school logo and black shorts or black trouser with school logo**]
- To bring a re-useable water bottle which can be filled from the water fountains in school [to refilled at break and lunch times only]
- Make reasonable adjustments in PE lessons
- Post 16 students are exempt from wearing blazers and ties.

As mentioned in a previous communication, there are a number of areas within the School that are air-conditioned and, where possible, we will re-room classes to take advantage of them.

Please note that any student issued with a detention will serve it in an air-conditioned room in Hogarth for the allotted length of time.

Yours faithfully

Ranjit Berdesha
