Dear Parents/Carers

ACADEMIC MENTORING DAY – TUESDAY, 01 DECEMBER 2026 [YEAR 7–10, Y12]

Year 11and Year 13 will participate in a full day of Academic Support Sessions

As you may be aware, each year we hold an important event called **Academic Mentoring Day** after our first Data Harvest of the year. This is to enable us to have a progressive learning discussion with you and your child with the very latest data on their academic performance. This will enable the tutor, parent and student to have a detailed conversation on *what is going well* and how they can *progress further*.

The arrangements for the day are as follows:

- Academic Mentoring Day appointments are on-site and face-to-face with your child's tutor between 08:30 and 17:00
- Please aim to arrive at least 15 minutes before your appointment in order to register and obtain vital information
- Students will be set work to complete at home on the day and only attend school for the meeting with their parent/carer at the allocated time in **full school uniform**

- **Year 11 and Year 13 students** will complete Academic Support Sessions onsite – and should arrive by 08:50, observing the usual uniform/dress code

There will be a 'first come first served' approach to booking appointment slots with tutors. However, those parents who have to make multiple appointments because they have more than one child in the School will receive this letter a few days earlier to give them the best chance of organising their appointments efficiently.

Please turn over for instructions on how to book appointments. We would advise leaving twenty minutes between appointment times. There will be an additional letter reminding parents of the arrangements nearer the event.

Yours faithfully

IHall
