

## **2017 Key Stage 5 Exam Results**

The School would like to congratulate students on their achievements in this year's examinations.

Considerable hard work and commitment from our students, supported by dedicated and professional staff, have ensured that students have gained placements at excellent Universities of their choice.

The School would like to thank parents for their encouragement and support, through what can be a stressful time during the Summer Term.

Headteacher, Ranjit Berdesha said, "I would like to congratulate all our students, their families and staff on the results achieved this year. Their success is the result of the commitment, hard work and partnership between staff and students. I hope our students enjoy a well-deserved break as they prepare for the next big step in their lives, and I am confident that they are now equipped to meet the challenges of adult life."

### **A special mention should be made of the achievements of the following Students:**
