

Tuesday, 31 October 2017

Dear Year 11 Parent/Carer,

### **Sixth Form Open Evening – Thursday 9<sup>th</sup> November – 18:00 – 19:30**

I am writing to invite you to our Sixth Form Open Evening on Thursday 9<sup>th</sup> November.

This evening is for both students and their parents, specifically Year 11 students at Heston as well as those wanting to join Heston's Sixth Form, and will provide an opportunity for you to find out more about life in our Sixth Form. Teachers will be present to inform you about the types of courses available in their subject area and what they can lead on to in terms of careers and higher education. Each Curriculum Area will have displays exhibiting course materials, textbooks, examples of student work, past exam papers. Students who are already following these courses will also be available for you to consult.

There will be a short presentation delivered by myself and Sixth Form students at 18:30 and 19:15 in the Learning Resource Centre and the opportunity for you to find out more about all the subjects students can study in the Sixth Form.

We offer a wide range of both A level and BTEC courses in the Sixth Form and teachers of all subjects will be available to answer any questions you may have. The decisions on Post-16 choices are very important and I would urge you to take full advantage of this evening to help you make the right decisions concerning Sixth Form studies.

I am often asked what makes Heston Sixth Form special. The six points I am listing below are the ones that influenced previous students and their parents in choosing Heston Community School Sixth Form – and they are all key benefits we have every intention of building on in the future.

- Outstanding examination results
- Excellent university successes
- Impressive state-of-the-art facilities
- Welcoming and friendly
- Leadership opportunities
- A wide range of A level and BTEC courses available
- Excellent enrichment programmes

We look forward to welcoming you to our Open Evening and please do invite any of your friends who you believe would be interested in their children joining Heston's Sixth Form.

Yours faithfully,

Hywel Evans  
Post-16 Learning Co-ordinator
