19 July 2019

Dear Parents / Carers

You will be aware that the School underwent a Section 8 OFSTED inspection on Friday 5 July. I am delighted to report that the Inspection Team confirmed what the School and wider community have known for some time – Heston is a good School that has continued to make significant improvement in recent years.

The report is extremely positive and the School achieved the best possible outcome:

'the school remains good and there is sufficient evidence of improved performance to suggest that the school may be judged outstanding if it received a section 5 inspection now. The school will be informed that its next inspection will be a section 5 inspection, which will typically take place within one to two years after the publication of the section 8 short inspection report.'

The School is looking forward to a Section 5 inspection in the near future.

This outcome recognises the hard work of our children, parents/carers, staff and the Governing Body.

Whilst I am very proud of our achievements to date, the School is constantly evolving and always looking to improve. This inspection is an important milestone in our journey to ensure everyone in our community is safe, happy and able to be their best. On behalf of the School, I wish to thank you for your continued support in helping us move the School forward.

A copy of the OFSTED letter is available on the [School website](#).

I wish you and your families an enjoyable and restful holiday wherever you may be.

Yours faithfully

Ranjit Berdesha
