Dear Parent/Carer

**Year 12 Post 16 Expectations Evening Digital Presentation [Tuesday, 08 September 18:00]**

In these most unprecedented times, we have taken the decision to conduct this year's Expectations Evening digitally. We are inviting at least one family member/carers and their child to attend this digital meeting at 18:00 on Tuesday the 08 September. The purpose of the Evening is to ensure that students are supported in making the best possible start to life and work in our Sixth Form. This is a very important event in the School Calendar and forms part of the Sixth Form Enrolment Programme. A recording of the meeting will be available to download from our website.

At the event, you will have the opportunity to meet the Post 16 Leadership Team and will receive some very important information about the forthcoming year, as well as dates for your diary. More importantly, we will share with you the School's expectations for its Sixth Form students.

In order to complete Enrolment:

1. A family member and student must have viewed the digital meeting
2. Both family member and student must sign the summary and accompanying Behaviour Policy
3. Return the signed documents during registration on the 09 September.

Please note that Enrolment is only complete once the signed documents have been returned to the School. I look forward to working with both you and your child to achieve their best in their Post 16 studies.

Yours faithfully

Ms I Hall
