Dear Parents/Carers

The School would like to thank students and their families for their commitment to their studies over this lockdown. The Art Department has been overwhelmed with the creativity of our students despite not having access to the wide range of equipment and supplies normally available in school. Our Virtual Gallery is constantly being populated with amazing drawing and artwork.

This letter serves to remind parents that there is no need to invest in any expensive materials for students to participate in their Art lessons. The most basic equipment, such as the ones listed below, are all that is necessary for students at this time to take part in the home learning activities.

Basic equipment list:

1. Plain paper
2. Pencil
3. Coloured pencils
4. Scissors
5. Glue stick

If your child is studying Art or Graphics GCSE, they will also benefit from having:

- Different coloured papers
- Fine-liner pens
- Paints and a brush

These items can be purchased very inexpensively in local supermarkets and shops such as Poundland or ordered online.

We would like to thank you for your support of the School's remote learning.

Your faithfully

Ms H Wyglendacz
Curriculum Leader for Design, Art and Technology

Specialist Visual Arts Academy
