Dear Parent/Carer

I would like to thank all parents and students for their support and patience during this difficult year. Whilst the last eighteen months have been challenging for the whole community, the strong partnership the School has established with you, has ensured that our young people received the support they needed. Everyone at School is looking forward to welcoming the students back after the Summer break.

### SEPTEMBER START OF TERM ARRANGEMENTS

#### Monday 06 September

Students in Years 8, 11 and 13 will start at 08:30, report to their tutor bases and remain with their tutors until 10:50, after which their timetable will commence.

#### Tuesday 07 September

Students in Years 9 and 10 will start at 08:30, report to their tutor bases and remain with their tutors until 10:50, after which their timetable will commence.

Years 7, 9 and 12 will have photographs taken on Tuesday 07 September.

### UNIFORM

A School blazer with the School Logo is compulsory for all students in Years 7 to 11. A pullover is optional but, where worn, must be plain black, V-necked with the School logo on it. Skirts and trousers should be plain black fabric [NOT denim type material]. Students should wear white collared shirts [not blouses] with the School tie. Shoes should be plain black leather/ leather type uppers with low heels. We also insist that students wear their uniform correctly and non-permitted items will be confiscated. The full Uniform Code is available on our website and in the Student Planner. Sixth Form students are required to wear formal business dress as per the Sixth Form Student Hand Book.

Safety, dress, punctuality, attendance and the highest standards are important to all of us. We all want to start each day positively so please help us by ensuring your child leaves home appropriately and smartly dressed for learning. All students must be on site by 08:25 every day.

## LATERAL FLOW TESTS

Students will be provided with Lateral Flow Home Test Kits to use each Sunday and Wednesday evening to test for COVID before coming to School. We would encourage all our families to continue testing themselves regularly to ensure our community remains safe. If your child develops any COVID symptoms, they must remain at home and take a PCR test.

Please follow this link for further instructions on how to conduct the test.

Yours faithfully
