

25 October 2021

Dear Parent /Carer

We would like to take this opportunity to wish all our community a restful half-term. Whilst we continue to see both national and local news dominated by COVID-19, we are pleased to report that the great majority of staff and students are now vaccinated.

To help the School minimise the spread of COVID-19, we urge all students to continue to take the Lateral Flow Test every Sunday and Wednesday evening, especially on Sunday 31 October.

Over half-term, the Local Authority are providing a number of 'walk in clinics' for students who have not yet been vaccinated. Details of these arrangements can be found on our website.

In addition, the NHS will be in School on Tuesday 16 November offering the nasal spray Flu immunisation to all students. In order to access the online consent form, please click on the following link <https://clchschoollimmunisations.co.uk/Forms/Flu>. You will need to enter our unique code: **CL138924**.

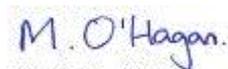

I would also like to take this opportunity to thank parents/carers and students for their support of our drive to promote punctuality to School. The improvements have been very noticeable. In addition to maintaining excellent attendance and punctuality, we would like to remind parents/carers that as the weather becomes colder, students will need footwear, appropriate to the colder and wetter conditions, along with a plain black coat.

Finally, I would like to remind you all that there will be a late start on Monday 01 November. All students must be onsite at 10:25 and report for registration at 10:30.

GCSE English Language resit students, in Year 12 and 13, should arrive at 08:00 for their Examination Booster session. The exam will begin at 09:00.

We look forward to welcoming parents/carers to our Academic Mentoring Day on 23 November.

Yours sincerely

M O'Hagan
