

17 December 2021

Dear Parent/Carer

The NHS will be offering Covid-19 vaccinations at School on Monday 24 January. Your child can have their first or second dose of the vaccine if they are in Years 7-11 and over 12 years old on this day. There must be 12 weeks between a positive test and the vaccination.

Please note that all children over 12 years old are now able to have vaccinations at any Vaccine Centre if you would prefer to have this vaccination at an earlier date. Our nearest Vaccination Centre is Jade Pharmacy.

Please can all parents/carers submit this [form](#), for each of your children, by Friday 14 January 2022. You will be given the following options:

1. I do not wish to vaccinate my child
2. My child does not require a vaccination at School because they have already had two vaccines
3. My child will not be 12 years old on 24 January 2022
4. My child cannot have the vaccination because they tested positive since 01 November 2021
5. I wish to vaccinate my child - I understand that by completing this form I am giving Consent

Many thanks for your cooperation and support. Have a safe and restful break

Yours faithfully

Beth Hart
