

Thursday, 31 March 2022

Dear Parent/Carer

This letter is to inform you about the upcoming Year 12 Mock Examinations that will commence on the 19 April. The timetable for the exams are listed in the table below. All students have already been given advance warning of the start date of the exams.

Students have worked with their tutors to plan their independent study over the Easter Break to make the best use of these two weeks. Of course, we expect them to rest and spend time with their families, but this period will prove invaluable in ensuring that they are ready for the rigour of public examinations in the Summer of 2023. We would also like to reinforce the importance of these exams as they will form part of the evidence used to determine UCAS predicted grades in the Autumn Term.

The School has purchased a parent guide that we feel will be useful for you to support your children at home with their revision. The [guide](#) is currently available on our website.

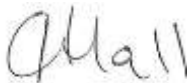

We are also attaching the calendar of events for the Summer Term so that you can add these to your diary.

I want to close by making you aware that we are currently supporting our students with their plans for university, apprenticeship and traineeship applications allowing them to successfully pursue their ambitions for Post 18 training and higher education.

Please feel free to contact the Sixth Form Team if you wish this discuss this further.

We wish you a restful Easter Break.

Yours faithfully,

Ms I Hall
Assistant Headteacher
