Dear Parent/Carer

### **CAREERS FAIR – TUESDAY, 18 OCTOBER 2022**

It is with great pleasure, that we extend an invitation to all students and their parents to attend the School's annual flagship **Careers Fair** on **Tuesday, 18 October 2022** from **17:00 – 19:00**. While students are welcome to attend unaccompanied by parents, it is our experience that parents also find the evening useful.

The exhibitors focus on college courses, higher education, apprenticeships and future employment. There will be in excess of 30 different exhibitors from a wide range of industries including BA, GlaxoSmithKline and Virgin Media; this event should not be missed.

Ask Apprenticeships and Not Going to University will provide information for students who want to learn more about apprenticeships, degree apprenticeships and opportunities for employment after they have completed their studies.

Students from prestigious Russell Group Universities will be present to give insight into subject choices and life at university. The evening will also offer presentations giving practical advice and guidance on preparing for university interviews for the most competitive courses such as medicine and dentistry.

Upon arrival, an information booklet will be available, listing exhibitors, locations and the timings for each presentation.

As parents, you will be aware of the importance of providing high quality information to support children in determining their potential career pathways. This annual Careers Fair is designed to raise aspirations and provide a broad range of independent guidance and advice to students as well as their parents.

We look forward to welcoming you to the Careers Fair. Should you require any further information, please contact the School at [info@hestoncs.org](mailto:info@hestoncs.org).

Yours faithfully

Ms I Hall  
Acting Deputy Headteacher
