

20 June 2023

Dear Parents/Carer

CULTURE DAY

We would like to celebrate the School's diverse cultural mix with a non-uniform day that demonstrates the different heritages of our community. Where students are not able to wear a specific style that reflects their heritage, we would ask that they choose colours that might reflect the flag of that region. Tutors will be requesting a £1.00 contribution from those participating in the non-uniform day. The monies raised will be donated to the charity WaterAid. This event will take place on Friday 23 June 2023.

The Post 16 Business Students are also running an enterprise to raise fund for this charity by taking photographs on the day outside the LRC. They anticipate the 6x4" [15x 10cm] framed photographs to cost approximately £5.00 with all profits going to WaterAid.

MESSAGE FROM WATERAID

When a community gets clean water for the first time, it is the start of something truly life changing.

Right now, millions of children around the world do not have [clean water](#) to drink, [decent toilets](#) to use or [good hygiene](#) to protect themselves. Without these basics, breaking the cycle of poverty is just a dream.

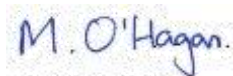

However, when you help WaterAid dig a well or install a tap in a community, you are changing the lives of children for the better. Your donation can help children to stay in school instead of wasting their precious childhood walking to collect water.

Together, with your help, we will keep working until everyone; everywhere has clean water, decent toilets and good hygiene.

Will you help transform lives today?

Thank you for your support and generosity for this very worthy cause.

Yours faithfully

M O'Hagan
